

Managed Medical Specialties, Inc.
KBC II, 2500 Pearl Buck Rd. , Unit I
Bristol, PA 19007

Introducing our new Dental Medical Gas Outlets

In conjunction with Amico Corporation, Managed Medical Specialties presents the newest addition to our Med Gas Outlets. Dental Outlets available in single, 2 or 3 gang configurations with your choice of DISS or Quick Connect. You choose the gases and layout and we will combine them under a single cover plate.
