Supplemental Outlet System

Add additional outlets to any room and at the same time remove clutter by mounting secondary equipment directly on the heavy duty rail.

Here are some pre-designed systems for you to choose from. You need only specify the type of outlet and length of hoses. Or you can have a Sales Representative assist you in designing a system to meet your special needs.

System 1 - includes 1 ft. of rail, 2 mounting kits, 2 end caps, 1 single gas block, one 4 ft hose assembly.

System 2 - Includes above with 1 double gas block in place of single gas block.

System 3 - Includes 2 ft of rail, 2 mounting kits, 2 end caps, 1 single gas block, 1 double gas block, 1 double 4 ft hose assembly.

System 4 - Includes #3 with 2 double gas blocks in place of 1 double and 1 single.
